Palm inventor search	3/15/2006	CHY
discussed 1.131 dec with E. Eyler to see if the dec was commensurate in scope with the claims. Indicated that claims (cont)	3/9/2006	CHY
are drawn to administration of protein, dec is drawn to vectors or DNA. Stated that dec is insufficient. Also (cont).	3/9/2006	CHY
indicated that dec is insufficient to overcome b/c claims of Spittler et al are same as that instantly claimed. Need to (cont)	3/9/2006	CHY
establish priority via 37 CFR 41.202. Also indicated that the case can be made final without initiating interference (cont)	3/9/2006	CHY
b/c applicant need to establish priroty.	3/9/2006	CHY
